

**Raven Hydronic Supply Ltd** is proud to announce its first major fundraising initiative in support of educating children in the developing world.

Raven is partnering with *Room to Read* to build a school in Nepal, they have been working with their vendors to raise and match funds to complete this project.

Raven is excited to be building a school in Nepal in 2014, with funds raised from 2013 that will provide access to education for years to come and help children in one of the poorest parts of the world.

Raven's plan is to make this an annual campaign building a new school each year.

### **Our Goal: To raise \$35,000 by the end of 2014**

With your help we can make a difference in the lives of children and provide them with the lifelong gift of education.
