

**Raven Hydronic Supply Ltd** is embarking on its second year of fundraising initiatives in support of educating children in the developing world.

Raven is partnering with *Room to Read* to create a child friendly learning environment in an existing library and will be **matching all funds** donated by their customers

Raven is excited to be providing materials such as books, furniture, posters, puzzles, library management training, and 3 years of administrative support to a very deserving community in Nepal.

Raven's plan is to make this an annual campaign funding a project with its customers each year. This year we will be asking for a \$100 donation that will be matched.

### **Our Goal: To raise \$5,400 by 2015**

With your help we can make a difference in the lives of children and provide them with the lifelong gift of education.
