

**Raven Hydronic Supply Ltd** is proud to announce its 2015 fundraising initiative in support of educating children in the developing world.

Raven is partnering with *Room to Read* to send 50 girls in India to school for 1 year, they have been working with their vendors to raise and match funds to complete this project.

Raven is excited to be funding a year of education for 50 girls, by supporting girls during critical secondary school years, we help ensure that they have the skills and confidence needed to shape their future.

**Our Goal: To raise \$17,500 by the end of 2015**

With your help we can make a difference in the lives of children and provide them with the lifelong gift of education.
