

Nepal Relief Project 2015

After the recent earth quakes in Nepal, Raven was contacted by Room to Read as they start to rebuild. The first area that is getting relief from Room to Read is the Nuwakot Province. Nuwakot is located just outside of Kathmandu. The Raven Team has decided to fund the repairs of 5 classrooms with major damage and 3 classrooms with minor damage for a total project cost of **\$30,042.00**

This project is in addition to our current two 2015 Room to Read Projects including 1 year scholarships for 50 girls in India as well as the renovation of an additional library.

We are looking forward to sharing updates from the field for our Relief project. Check out our blog for the most recent postings at <http://www.ravensupply.ca/more/blog/>

Thank you for your continued support & helping to make these projects possible.

Cheers the Raven Team,
